

Computer activity(PPT) on

Features of Windows 7

Class-6

An activity was conducted for class 6 students from 27th to 29th July 2020 to create Power Point Presentation on the features of Windows. The students have to add transition, animations effects and various PPT tools to accomplish the task.

Students understood various features of windows 7 through PPT and learnt how to add audio, graphics and video in their presentation. They completed their activity extremely well with highly competitive spirit.
