

A decorative border of black floral patterns surrounds the page. The border consists of repeating stylized flower motifs arranged in a continuous line.

Social Science-Word Scramble (Indian States)

Class-VI

A fun activity was organized for the students of class VI to help them remember the names of all 29 Indian states and their capitals. The students were asked to unscramble the given letters and form the names of different States of India. Maximum and enthusiastic participation of the students was really praiseworthy.
