

Independence Day Celebration

Pre-Primary (13-08-2021)

Independence Day was celebrated by the tiny tots of Pre-Primary with great patriotic fervour and zeal. The little ones made beautiful art work which enkindled a sense of love for our country. They expressed the joy of freedom by dressing up in Tricolour and speaking a few lines on Independence Day. They sang patriotic songs and recited rhymes. Few students presented dance performances glorifying our independence which created an atmosphere of national pride.
