

SUMMER CAMP

ENRICHMENT ACTIVITY- ENGLISH COMMUNICATIVE

The students of class IV participated in ENGLISH COMMUNICATIVE ENRICHMENT ACTIVITY with full zeal and enthusiasm. The sole aim of this activity was to motivate and encourage the kids to interact in English in real life situations. The sessions were all about allowing the kids to practice more of speaking English in realistic communication. Students talked about themselves and expressed their thoughts and opinions, so that they interact as naturally as possible. They were apprised of different ways to greet people in different ways and were told to use the same in day-to-day communication. The kids expressed their opinion on whether they liked indoor games or outdoor games, home cooked food or outside food, party at home or party outside etc. The students participated in the activity with great exuberance.
